ANJUMAN-E-ISLAM'S ANJUMAN INSTITUTE OF INFORMATION SCIENCE AND MANAGEMENT DHARWAD

“Quest for Excellence”

ABOUT US

Anjuman-E-Islam Dharwad, a minority establishment registered as a trust in 1952. It has been started with a mission to teach minorities within the city. The primary step towards the revolution in minority education was created with the initiation of "Anjuman High School", which came into existence in the year 1953. It was the first Urdu High School in the region. The success of Anjuman High School motivated the management to start a college with the name "Anjuman Pre-University College". In the year 1986 with the zeal to produce education at different levels, it started two new institutions, "Anjuman Urdu Primary School" and "Anjuman Arts, Science, and Commerce College". Anjuman-E-Islam has been imparting education at different levels till date. It has established courses like B.A, B. Com, B.Sc, M.A. & M.Com.

Thanks to the necessity of skilled education for society, the management added another feather to its cap by introducing the Bachelor of Business Administration Course, affiliated to Karnatak University under the name "Anjuman BBA College" in the year 1996.

This step revolutionized professional education in the city. The success of the initial batch impressed the management to provide IT education through the introduction of the Bachelor of Computer Applications Course in the year 2000 under the new name "Anjuman Institute of Information Science and Management". Both the courses offered at Anjuman Institute of Information Science and Management are affiliated to Karnatak University, Dharwad and recognized by Govt of Karnataka. Since its inception, the institute has been providing education par excellence in the field of business administration and computer application with the support of quality teaching and world-class infrastructure to the students.

Anjuman Institute of Information Science And Management has been rendering service for the last 25 years. It has created hundreds of entrepreneurs and IT professionals. The institution is known for its professional approach and job-oriented training. It has been serving the students of all castes and creeds with the best of the staff to make students the citizens of the world. This institution has been helping students to realize their goals through various training programs.

VISION

"To nurture quality human resource to serve the changing needs of the society by building an institution of excellence"

OBJECTIVES

- * To ensure a high standard of education
- * To impart value based education with emphasis on self-discipline and character building
- * To promote a healthy student-teacher relationship
- * To develop personality of students by encouraging their participation in co-curricular and extra-curricular activities
- * To create socially aware citizens and inculcate in them societal values

MISSION

"We shall sincerely and relentlessly strive to provide value based education that can prepare enlightened citizens with great foresight for the society and the nation as a whole by developing leadership qualities and skills with ever cherished universal human values which will enable them to get employed and prepare them as socially responsible entrepreneurs"

PRESIDENT'S MESSAGE

Janab. Iqbal K. Jamadar

President,
Anjuman-E-Islam, Dharwad

Greetings.

My association with this prestigious education society 'Anjuman-E- Islam' has been since over 30 years. I have served the society in various positions in the past. I consider it my pride and privilege to be the President of this esteemed education trust.

We are on the verge of completion of fruitful seven decades of imparting quality education to all the sections of the society and minority sections in particular. The new management team in my leadership is giving first priority to quality education to all the students coming to the campus. It is my strong belief that for any nation to prosper, empowerment of youth with right kind of education is very important. I am sure you, the new entrant to the campus.

Anjuman Institute of Information science and Management which runs two professional courses namely BBA and BCA has always been the crowning glory of the campus...! It is known for the quality education, the kind of exposure given to students in various events conducted and for the career building that happens in the campus through excellent placement of students who graduate from the institute. The new management in my leadership is having specific focus on quality education and better placements by providing students the desired skill sets to match the requirements of markets. The management is committed to its promise of encouraging all the efforts made by the institute towards student development activities.

It is my strong belief that for any nation to prosper, empowerment of youth with right kind of education is very important. I am sure you, the new entrant to the campus, will surely make use of the facilities available to reach new heights in your education career. I wish you all the success for a very bright future."

OFFICE BEARERS

Janab. Nazeer Hussain B. Maniyar
Hon. Secretary

Alhaj. Ashfaqahmed S. Betgeri
Vice. President

Janab. Mohammed Shakeel Tamatgar
Joint Secretary

Greetings.

Education field is facing a stiff competition in this era of globalization. Dynamic attitude, sound knowledge and competitive skills are essential for any graduate to be absorbed in the corporate world. Anjuman Institute of Information Science and Management is endeavouring to inculcate the right attitude along with life skills and knowledge to the students.

We feel extremely proud in saying that the institute has carved a niche for itself during the period of last two decades, among the institutes providing Business Management and Computer Education in this part of North Karnataka. The alumni of the institute have held the flag of the institute high in the sky by their towering positions in the corporate world.

The same hard work, humility along with unquenchable faith in almighty will help you, the fresh blood in the institute, to carry the legacy forward. We expect you to be humble in your approach and to exhibit a responsible behaviour towards society.

We welcome each one of you to our campus where latest technology, innovative teaching methodologies and quality education are blended together to create a unique learning experience.

Prof. Abdul Mateen M. Bidiwale

MCA, KSET
Principal

Dear Students,

At the outset, I congratulate you for making the right decision to choose AIISM..! Because the course content remains the same in all the colleges offering them but the way these are taught at AIIMS is what makes it standout..! We adopt a systematic approach which includes intensive training modules supported by strong teaching methodology which prepares students to meet any corporate challenges. In the course of three years we provide them all the platforms besides academics such as cocurricular, extra-curricular, sports etc. ensuring overall personality development. They graduate from the institute as confident individuals ready to take up challenges of ever changing market scenario.

I take pride in stating that we have excellent track record of placing our students in top corporate brands not only in our country but all over the globe...! Many of them have earned top positions and even set up their own empires..! They have uplifted their family status. I proudly say that they have become an asset to the society and the nation as a whole. ..! All this has been possible due to the excellent learning facilities available at the institute including highly qualified and experienced teaching staff, a well equipped library with over 3000 books, and two well furnished computer labs with over 70 computers with Wi-Fi and many more..! We also provide economic and moral support to students particularly those coming from economically weaker sections, by involving govt, non- govt agencies and philanthropists.

I call upon every new entrant to take maximum advantage of every facility available in the campus and build such a career that not only adds to the rich legacy of this esteemed institution but also brings honour to your family..! I assure you that I will support every effort made by you in achieving glory..!

"Your Level of success is determined
by your level of
Discipline & Perseverance"

INFRASTRUCTURE

Library

The library at the college is one of the finest in the city. The excellent infrastructure with air conditioned facility provides perfect atmosphere for reading. The calm and serene surrounding enhances the mood to study. The newly installed library software will help further to take library services to the next level.

The library has rich treasure of books for both BBA and BCA courses. Time and again additions are made to this treasure by buying new updated versions of the prescribed books as well as new books. The library also has rich subscriptions to various magazines, journals and news papers, giving students an excellent opportunity to browse through latest developments and happenings in the area of their interest.

Library Resources

- BBA Books - 1767
- BCA Books-1639
- Journals-04
- Magazines-04
- News Paper - 05
- Library Software
- Digital Library

Computer Lab

A computer lab is a place where each student is keen to learn how to put into practice the programs learnt in a theory class! The state of art facility at the computer lab of our college creates an excellent atmosphere to practice lab programs. The air conditioned lab offers even more comfort to carry out lab assignments. The 1:1 ratio of computer to student gives sufficient scope of practice for each student. The Wi-Fi facility gives access to the internet whenever necessary. Therefore, the computer lab of our college is one of its kind in the city.

Computer Lab Resources

- Computers in Lab I - 38
- Computers in Lab II - 25

Vijayanagar University
Ballary & Professor KIMS, KUD

My respect and regard is huge for the management of Anjuman-E-Islam's Institutions for its concern to help disadvantaged sections of society to get high education. Please include BBA & BCA into all colleges for applying for NAAC at the earliest.

(Key Note speaker, One Day National Conference)

**ANJUMAN-E-ISLAM'S
ANJUMAN INSTITUTE OF INFORMATION
SCIENCE AND MANAGEMENT
DHARWAD**

(Affiliated to Karnatak University Dharwad & Recognised by Government of Karnataka)
